MOBILE MOUSE - OUR OFFICIAL STANCE AND POLICY (24 March 2020)

We would like to assure you that Mobile MOUSE strongly shares the concerns over the spread of the virus and its effect on public health and the economy. As a responsible company, we are taking every possible measure to protect our employees, students, contractors and the general public.

Mobile MOUSE has initiated the following protocols:

- Students have access to alcohol based hand sanitizer and additional sanitizing stations have been setup around our venue, including the entrance.
- Students are provided with anti-bacterial surface wipes in order to further minimise risk.
- Students and staff are REQUIRED to make use of hand sanitizer and / or wash hands at regular intervals.
- Class sizes have been massively reduced, thereby minimising close quarter contact.
- Each student will have their own large desk and will be spaced at least 3M apart.
- Following new government announcements (20/03/2020), we will adhere to the overall total of 4m² per person (within an indoor space) mandate, by implementing an overall minimum total of 6—8m² per person indoors policy at our venue. Note this policy also applies to our individual training rooms.
- Students or staff who present with any cold or flu like symptoms will be denied access to the venue.
- We intend deploying UV sterilisation on equipment and surfaces in the next few weeks as there is compelling evidence to support the use of UV light in the fight against the spread of Corona viruses.
- While every pre-caution is taken to sterilise our equipment, students who feel more comfortable using their own keyboard and mouse may bring their own.
- All Mobile MOUSE vehicles are equipped with alcohol based hand sanitiser.

From a business perspective, we would like to re-iterate that we continue to maintain the highest levels of hygiene across our business and our venue. We will continue to keep abreast of the situation and comply with all Government advice and protocol (and more) in this regard and will continue to do so.

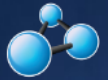

Should you have any concerns, please email us:

officeadmin@mobilemouse.com.au

Thank you for your co-operation and understanding at this time.
